Program: Early Childhood Education

of Responses: 15

Outcome	Yes	No	Unk	NA	Result	Feedback
What did you like about this program?	15 100.00%	0	0	0		
	Yes					I liked that this program really got you involved in teaching and working with the children from the very first semester.
	Yes					I really like certain courses in the program and the instructors were very helpful.
	Yes					I really liked the small class-size, teaching styles, hands-on learning, working with children, my teachers and classmates, and going on fieldtrips. This program is amazing!
	Yes					I liked everything about the program and found the teachers very caring and very knowledgable.
	Yes					I liked all of the hands on learning that we did
	Yes					I have learned so much through this program. It is a fabulous program with quality teachers and a great curriculum.
	Yes					Everything
	Yes					This was an amazing program. It gave me the confidence, courage, and knowledge needed to be a great educator.
	Yes					The teachers and program
	Yes					I liked that there were lots of hands on activities. I liked being able to have experience with children before graduating.
	Yes					The best part about this program was having the child care center here to observe and interact with the children. I enjoyed making materials for all curriculum areas and going to other centers for my practicum placement.
	Yes					I really liked working with children, doing all the different activities with all the different ages. I loved my teachers and felt they were the perfect role models for me.
What would you change about this program?	13 86.67%	2 13.33%	0	0		
	Yes					nothing, I really think all the expectations were applicable and the teachers really got to know us on a one to one basis.
	Yes					more interactions with children
	Yes					Little more help with big projects. Sources for ideas on major projects to help students that have a hard time coming up with their own.
	Yes					I would keep it the same. I really learned a lot from this great program!
	Yes					Since we needed 198 hours of student teaching during 4th semester, it would have been helpful to have less hours in the classroom and more time working on our student teaching.
	Yes					I can not think of anything that I would change about this program.
	Yes					I loved this program. It is absolutely the program that i needed.
	Yes					I think in our last practicum we should have more than two lead weeks of teaching. I think like three or four weeks since we are there for 11 weeks.
	Yes					This program is fantastic and I can't think of anything that needs to be changed.

Outcome	Yes	No	Unk	NA	Result	Feedback
					Yes	I didn't like the cost for all the books that I rarely used. The books weren't always need for the class in order to succeed.
					Yes	Less homework and more accomadations for students with children and commuting to and from college.
					Yes	I wouldn't change anything about this program.
					No	I would not change a thing
					No	Nothing
Use effective communication skills.	15 100.00%	0	0	0		
					Yes	yes effective skills were used and learned
					Yes	I have learned many different ways to communicate with other students, children, and parents.
Apply mathematical concepts.	14 93.33%	1 6.67%	0	0		
					Yes	I thought the program class Math, Science and Social Studies was very helpful with helping me see the different ways to teach math in an early childhood setting.
