What did you like about this program?	6 100.00%	0	0	0	Yes Yes Yes Yes	Variety of classes, and training I liked that we were instructed in a manner that fully prepared us to enter the Graphic Design field. The program really helped bring out creativity that I never saw before Projects we can use in real life.... no useless and abundant tests and quizzes
What would you change about this program?	5 83.33%	1 16.67%	0	0	Yes Yes Yes Yes	Less work in Ken Hey's classes. More time to work in his classes also. Everything about the program seemed to run smoothly for me Add more advanced classes in web, photoshop, and Illustrator. Try to set up a better relationship with companies for possible internship programs

					No	The last semester Troubleshooting class was a big waste of time and money. We should have learned much more according to the syllabus. Everyone who took that class should get a credit to retake it, or take another class of their choice. We could have learned much more, and should have. Now we will head out to look for a first job without knowledge that we should have gotten.
