

# IT Network Systems Administrator Spring 2014 Student SLO Report

## 1. What did you like about this program?

### Text Response

Instructors. They made the program great.  
All the hands on activities.  
teachers

I liked that the program (and western) have an advisory committee that they meet with to make sure that the curriculum is valid and up to date. I liked the wide variety of courses and felt that the instructors were very knowledgeable about their content. I liked the smaller class sizes making it possible to have more personalized learning.
