23. As a result of this program, I learned to:

Question	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree	Total Responses
utilize principles of networking to support database and web services.	0	1	1	0	0	2

24. Provide any comments you have about learning this program outcome.

Text Response

The networking skills received do not correlate with the networking skills and knowledge needed for software development. I found that more information on database administration and server configuration is more important to software developers than learning how to make Ethernet cables and other network terminology.
 Learned a little. Scot Wiedenfeld is a mastermind of networking.
