OVERALL EXPERIENCE

1. What did you like about this program?

Text Response

The learning of design and plant knowledge

I like the hands on activities that we do.

What I liked, was being able to attend class with my friends that I made in my first year at the La Crosse Western Tech. college. It was a good experience for my future.

Something needs to be done with Dynascope software 're-evaluate' I also think it would be devastating to the program to let Joyce C. be replaced, you will never find a better instructor!

I enjoyed the program and feel that I am prepared for the workforce.

It was alright. Most of the time, it was like back in high school, with the pranks and people thinking that there high and mightier then others.
