

Central Service Technician Fall 2015 Student SLO Report

1. What did you like about this program?

Text Response

How it was only one semester, learned ALOT in that time...class times were perfect (able to work as well as go to class).

2. What would you change about this program?

Text Response

Length of clinicals, 6 1/2 hours at GHS is WAY too long. I dreaded every single clinical because of the length. I would rather go more times in a week then be there twice a week for that long.
