Text Response

I really enjoyed this course. A few of the courses I took could've been better if the professors knew how to teach us the material. Sadly, I must say a few of the courses I took were a waste of my time and money. Not so much that they weren't good classes, but because I didn't learn anything. Other than that, I love Lori. She has been a huge part of my success in school. She has taught me so much. I just found a job related to HR about a month ago. I'm very happy. THANK YOU for allowing me to come to WTC and for letting me graduate!!
