

Pass Rate after Transition to Credit Classes

What is the pass rate (credit) of students in Learner Support who take credit classes?

For the years 2011-2014

Adult Basic Ed

	SU11	FA11	SP12	SU12	FA12	SP13	SU13	FA13	SP14
Students who Transitioned	55	97	110	92	103	117	46	64	50

- 'Students who Transitioned' is the number of students who took a Learner Support class and took a credit class during the term listed or any of the three following terms.
- The percentage value represented by the line in the graph is the overall pass rate for the credit class taken. A student is considered to have passed a credit class if they pass any credit class during the term they are in Learner Support or any of the three following terms.
- Adult Basic Ed is students enrolled in classes that use aid codes 73 and 74
- English Language Learner is students enrolled in classes that use aid codes 75
- High School is students enrolled in classes that use aid code 76
- Developmental students enrolled in classes that use aid code 77
