Q3 - What did you like about this program?

The hands on experience

I think it prepared me for the job and helped me learn.

I liked how there was a lot of hands on activities.

It was really good at preparing me for the job I will be doing.

I like how organized it was and the instructors

Q4 - What would you change about this program?

Losing points for planned absences

Have shorter classes, longer ones you tend to lose focus and not learn as much

Shorter classes.

There is nothing that I can think of. I think the flow of the curriculum was good.

2% for an absence is a high amount to take off. I think 1% is fine to take off

Q35 - CONCLUSION Please use this space to share any other feedback, comments, or suggestions about your experience at Western Technical College.

Thank you for the great experience

I think the instructors did a good job and maintaining the course of learning. The clinicals were a very good learning environment as well

I had a really great experience with this program and at western. I feel I learned enough knowledge to go out and work as a surgical tech
